Dear Community Supporters:

The Stillman College Office of Veterans and Military Affairs will host the 3rd annual Women Veterans' Prayer Breakfast on November 9, 2019 at the Cordell Wynn Humanities and Fine Arts Center, Stillman College. Our theme this year will be "HERSTORY"— History, Impact and Hope for the Future.

A feature of this year's celebration will be capturing and celebrating the stories of the women who survived WWII. This hallmark event will enable us to bring together talented minorities and women who share a common belief that inclusion and opportunity lead to personal, professional and economic growth. Increasing the number of qualified minorities and women hired and promoted to all levels within Fortune 500 and minority companies is no longer a dream but reality.

Please join us as an organizational sponsor. We invite you to help our organization by making an "investment" in the student veterans here at Stillman College. The levels of participation are provided for your consideration. In exchange for your investment, we would like to develop a recognition package that meets the needs of your company and fits your organization's culture and values.

We also want your organization to provide us professional job opportunities with corresponding candidate profiles that we can announce to students seeking internships, jobs and those seeking advancement. We would like to involve your Human Resources Department in this effort. Please indicate your commitment by providing us with a point of contact from your organization who will work with us on this effort.

I invite you to share in our work to create a more inclusive America.

Respectfully yours,

W. Stan Holland
Executive Director, Veterans and Military Affairs
